

Megatape 420 Double-sided removable expo tape

Features

- 🕒 Suitable for fragile surfaces
- 🕒 High adhesive strength on the top side
- 🕒 Low adhesive strength on the bottom side
- 🕒 Very easy to remove
- 🕒 Available in all possible widths

Test results

Material	PP
Adhesive closed side	Synthetic rubber (permanent)
Adhesive open side	Acrylic (removable)
Total thickness	0.15mm
Adhesion to steel closed side	37 N/25mm
Adhesion to steel open side	3.7 N/25mm
Tensile strenght	50 N/25mm
Temp. Resistance	-10 - +60
